

FREE ROUTE:

CORNERS OF PUERTO DE LA CRUZ BETWEEN THE SEA AND ITS SQUARES

Organized by the work-study programme "Pfae Sustainable Tourism Puerto de la Cruz 2023".

Walking route

Discover the history of Puerto de la Cruz through a guided tour that will immerse you in its streets, buildings and squares. From the 16th century to the present day, we will visit the most emblematic points that tell the story of the evolution of this charming port. With the sea as the protagonist, you will learn about the importance of its merchants and the stories of the families that have left their mark on the city.

Join us and give value to our historical and cultural heritage!
